PLAYBOY ON CAMPUS

COED CONFESSIONS

APRIL VOSS

Major: Marketing

College Lowlights: Always being poor, 8 a.m. Friday classes and tests.

Party animal or bookworm? A little of both. School always comes first, but I've done my fair share of frat parties and trips to Tijuana.

Favorite music: Modest Mouse or the best of Britney Spears.

Best date ever: When I went to South Beach last year I met someone who treated me like a princess

and showed me an awesome time. He was the most genuine and generous person, and it was the most memorable time I've ever had. No names—you know who you are!

CAMERON HAVEN

Major: Marketing

College highlights: No rules. College life is high school, but better—you no longer have nagging parents and the guys are hotter. What's not to love?

Party animal or bookworm? I'm a bit of a wild thang. If I could study boys for a semester I'd do it!

Favorite music: Tim McGraw's latest CD. His songs bring out the Southern belle in me.

Best date ever: We went out for a fondue evening. We fed each other strawberries dripping with chocolate, and kissed off the overflow. Our lust mounted until we couldn't take it, so we left. Never did have dinner!

DAVIN LEXEN

Major: Art

Spare time: None during the week, but on weekends I model, travel or club hop till I drop.

Favorite music: I'm a total clubhead, so only DJ's CDs make it to my player—stuff like DJ Irene, DJ Sammy, DJ Snow White, DJ Ragman—I could go on and on!

Best date ever: This is kind of embarrassing, but it was a combination of takeout Hooters wings, going to a

hysterical movie, *Harold and Kumar Go to White Castle*, and having hot, wild, kinky monkey boom-boom all night. I think we laughed for eight hours straight. Gotta keep me laughing!

NAKED TRUTH: INBOX

FROM: B.R. Subject: SEXY SPECS IN SE

As a guy who thinks there's nothing sexier than a beautiful woman sporting a pair of glasses, a million thanks for the photos of Tonya Berrios (below) and Mina Morgan in the current *College Girls*. While I would never suggest you do an entire issue solely dedicated to my particular predilection, it would be greatly appreciated if you could squeeze in a few more gorgeous four-eyed girls every so often.

Tonya Berrios is smart, sexy and ready for anything.

FROM: K.R.T. Subject: KEEP UP THE GOOD WORK!

As the mercury drops and the snow starts to fall, all the curvaceous young women on our local campuses start to cover up to keep warm, so *College Girls* is the only avenue left that will warm me up. If you keep churning out mags like this one, the winter of 2004-05 will be the hottest one yet!

Kristin Jackson is always ready to warm you up!
